

Sylvester's

AUTO & LIGHT TRUCK SERVICE

Dear Customers, neighbors and friends,

During this time of uncertainty and Ohio's "Shelter in Place Order", we are sure that auto repair may not be top on your list of priorities. However, we also realize that when the worst has passed and your lives get back to some sense of normal, your vehicle will once again play a big part in your day to day lives. Please give some thought to purchasing a gift certificate now for service and /or repairs down the road.

We continue to stay open and operate as best we can under the circumstances. Please give us a call if you would like to purchase a gift certificate or if we can help in any way.

Gift certificates can be e-mailed or available for pick-up whenever you are ready.

Thank you for the kind words and thoughts on our social media platforms. We appreciate the support of all of you.

Take care,

Chris and your friends at Sylvester's Auto
